

Let's Party Together

**7-A-Side Tournament
& End of Season
Presentation Night
Saturday June 3rd 2006**

venue

Burton Park, Kettering

March 2006

Dear member clubs,

A couple of seasons ago as a region we asked you the member clubs to come up with ideas that would hopefully generate more people to attend our end of season presentation evening and one of the suggestions was to combine a day long small sided game tournament with a evening presentation plus disco. Well trying to find a joint venue was difficult but we have secured the Burton Park FC venue for this seasons joint venture.

As you will have seen on the front cover the tournament is to be held on a Saturday which has been chosen as we have the presentation in the evening. We are currently checking with the local Travel Lodge and local hotels for availability and costs for a one night stay for those of you that would like to stay and have a few drinks in the evening without running the chance of getting into trouble with the constabulary while driving home. We have also gained permission for you to camp at the site which will be patrolled by a security set up during the night.

We have also arranged for the local scout group to supply and manage the refreshments that you may require during the day of the tournament at reasonable costs also those of you that wish to can have a cooked breakfast on site on the Sunday morning courteously managed by the new ladies team from Burton Park at I am sure to be a reasonable cost as well.

Showering and washing facilities will be made available during the day and night so that all can clean up for the evening.

--- 000 ---

The tournament will be open to the first 30 teams to apply. We are at this time restricting it to one team per club. There will be a maximum on 12 players per team of which each game will be played with 7 players and the use of any 3 from 5 subs named. The rules of the competition will be distributed closer to the date to those teams that have applied to enter.

The cost of the 7-A-Side tournament will be £25 per team.

Pitch cost per tent £5.00

The cost for the Presentation evening will be:

Eastern Region Registered players £3.00

Non registered players and others £5.00
